METAL
ART

Metal Art born 30 years ago in Cerea (VR), the typical area of production of Classic furniture, with the purpose and commitment to create and satisfy all requests, even the most demanding for the furniture construction, offering hardware products such as handles, escutcheons, keys, friezes, decorations and items for restoration products, as well as a wide selection of items for the frame sector. Over the years, the company has grown up, by focusing on quality, innovation and continuous research, providing solutions and innovative products, establishing partnerships with the leading Italian and international brands in the sector.

Thanks to these aspects, Metal Art has become the Specialist in the sector, a real “milestone” for Craftsmen, Industry, Interior Designers, Architects.

With this catalog Metal Art aims to provide a variety of products and solutions: furniture handles and accessories, frames, as well as products for the furniture construction and assembly and restoration products.

SHOWROOM

The store **Metal Art** is located in Cerea (Vr), a large showroom of 900 sq mt., with exhibition spaces dedicated to each type of product, in order to show the full range offered, in a visible and more recognizable exhibition: an area dedicated to materials, handles and accessories for window frames, an area with furniture handles and accessories and finally an area with various hardware tools, power tools, restoration products and specific products for the accidents prevention.

Furthermore, with the help of highly qualified Sales assistant, **Metal Art** becomes a reliable partner for all types of Customers. Inside, a corner completely dedicated to Blum, the renowned international brand for systems and closing accessories, is available to touch the quality and innovation of these products. This is only one of the leading and qualified suppliers in our store.

GENERAL TERMS AND CONDITIONS OF SALES

Premise: All sales of Metal Group products are regulated by the following standard terms of sale. These terms are integral part of the contract and are meant to be accepted by the purchaser, even if they haven't been signed by him. Any clause unilaterally specified by the purchaser shall be deemed non-existent and void.

Orders:

- 1 - Orders will be dispatched when the items are available, even not in full. Any balance of the order will be supplied with following shipping. When an unique delivery is requested or when some items need to be delivered together, please mark it while passing the order.
- 2 - Delivery terms, even if confirmed, are only an estimated forecast and have exclusively indicative value, For this reason, delays in delivery shall not entitle the purchaser to claim any form of reimbursement for damages or interests.
- 3 - Please comply with the quantity of a box marked in the catalogue for each item (see "box"). Fixing material is supplied only if requested by the customer and it is not included in the price of item. For different requests, please note that we will supply the minimum quantity in a box.
- 4 - Orders are only accepted when Metal Group has sent to the customer the relative order confirmation. All orders received must be filled in of all necessary details to identify the product, terms of shipment, term of payment and everything else necessary.
- 5 - We reserve the right to change the characteristics of the products illustrated in the catalogue at any time and without giving advance notice.

Shipment:

- 6 - Goods travel at the risk and peril of the Purchaser, no matter how they are shipped. Usually, except special agreement, freight is paid by the Purchaser.

Price:

- 7 - We reserve the right to change prices at any time and without giving advance notice even if we usually inform our customer about changes, which could be done in the price list.

Payments:

- 8 - The Purchaser shall carry out payments according to the terms and conditions stated on the invoice. Late payments will be charged of interests corresponding to the official rate plus 2 points.

Claims and Returns:

- 9 - Any claims must be sent to our head office by registered letter or by fax within and not later than 8 days from the date of receipt of the merchandise. Claims made after that term or by different methods from those listed above, shall not be taken into consideration. Returns are not accepted unless we have explicitly authorized them. For returned merchandise, not depending on the writer's error, will be charged an additional 10% of the value of material delivered. Merchandise must, in any case, be sent back to us free in port and in perfect conditions. Returns of special articles, not included in our catalogue, and specifically ordered by the Purchaser, shall not be accepted.

Court of jurisdiction:

- 10 - This contract is construed in conformity with the Italian Law. Any controversy shall be referred to the Court of Verona, Italy.
